The screenshot shows a presentation editor interface. At the top, the title bar reads "How Waiting Tables Taught Me to Teach" with icons for star, share, and download. Below the title bar is a menu bar with options: File, Edit, View, Insert, Format, Slide, Arrange, Tools, Add-ons, Help, and a link to "Last edit w...". A toolbar below the menu bar includes icons for undo, redo, search, zoom, and various text and image tools. The main editing area is divided into a left sidebar and a main canvas. The sidebar shows a list of slides: 1. "Notes from Front of House", 2. "What do restaurant servers and teachers have in common?", 3. "Preparation", 4. "Invest in good shoes." (highlighted), and 5. "Always bring hand sanitizer!". The main canvas displays the selected slide, which has a dark blue background with the text "Invest in good shoes." and a photograph of a pair of worn, dark green sneakers. A blue-bordered box at the bottom of the slide contains a list of speaker notes. A "Text box" tooltip is visible over the text area, and a "Format options" tooltip is visible over the image.
